XPRESSION

One of Clarke Rendall's latest collections.

Inject personality into your reception space..

Clarke Rendall Collections

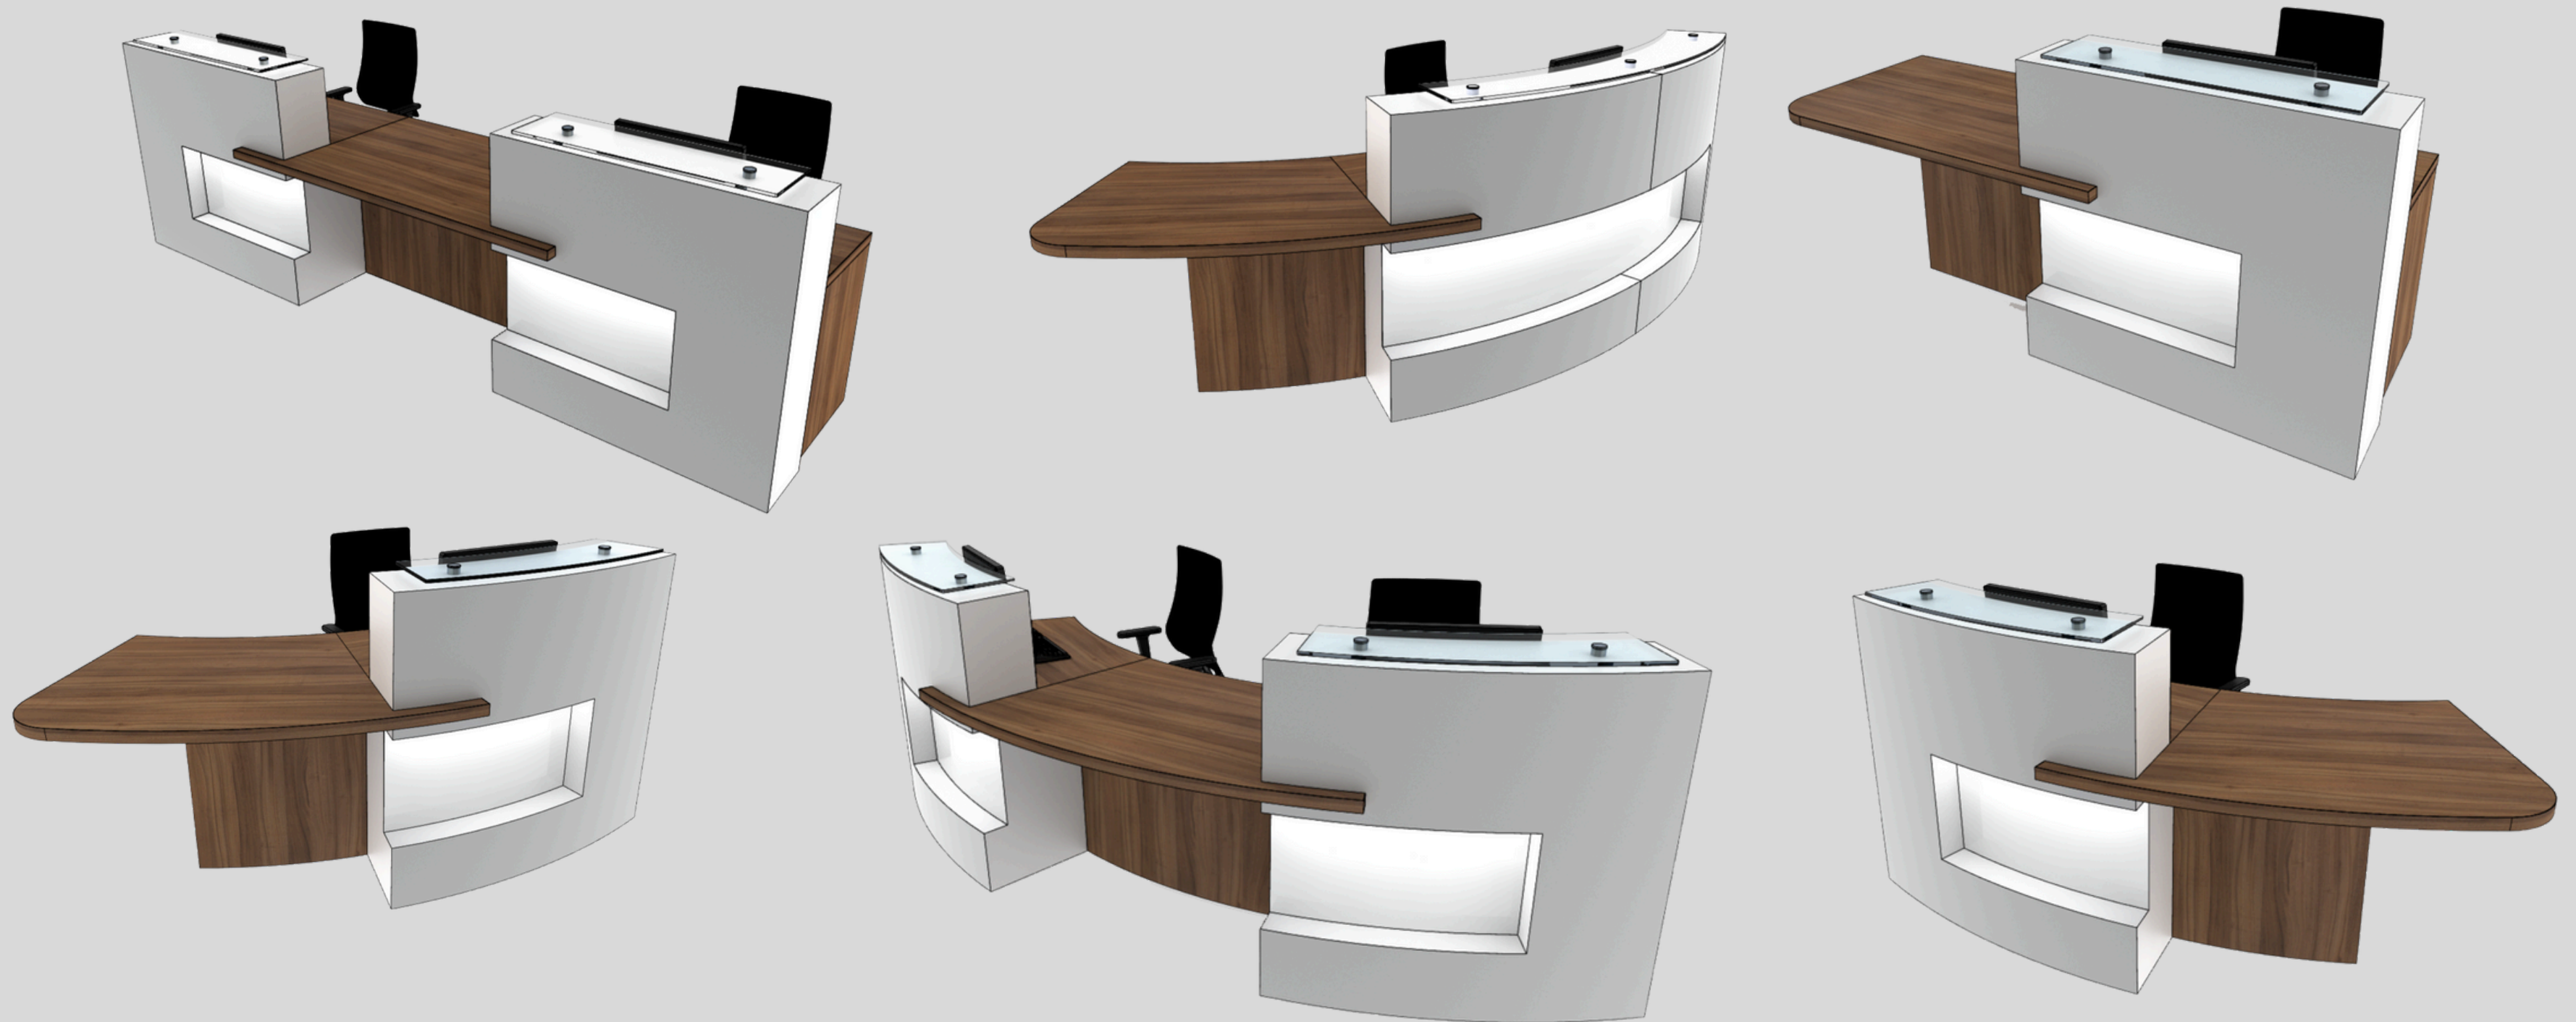

with concealed LED lighting and personalisation options.

CONFIGURATIONS.

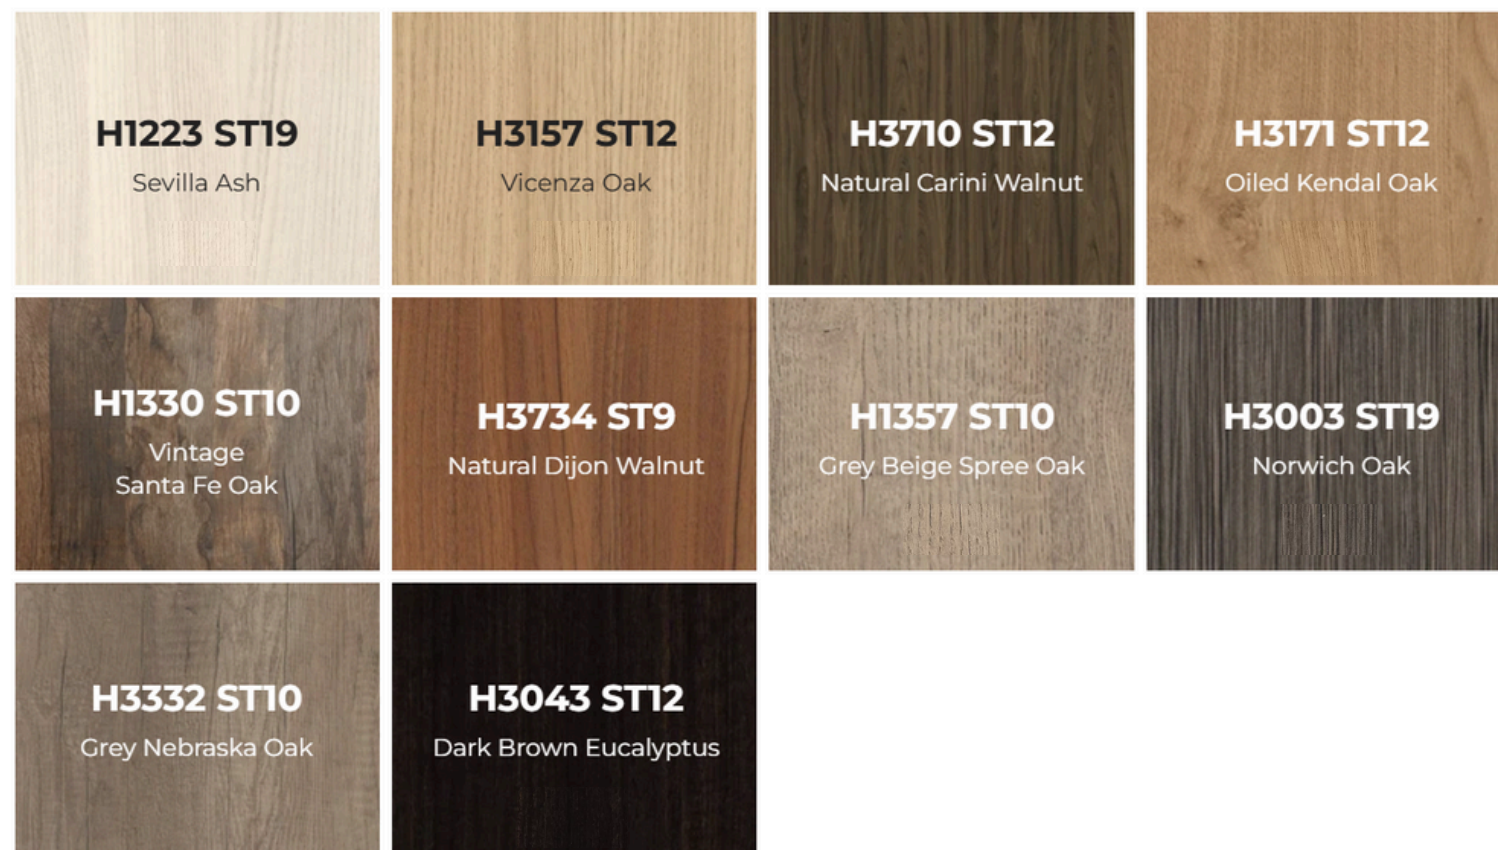

Available in a range of standard configurations, including these (and many more), there is a model to complement any reception area.

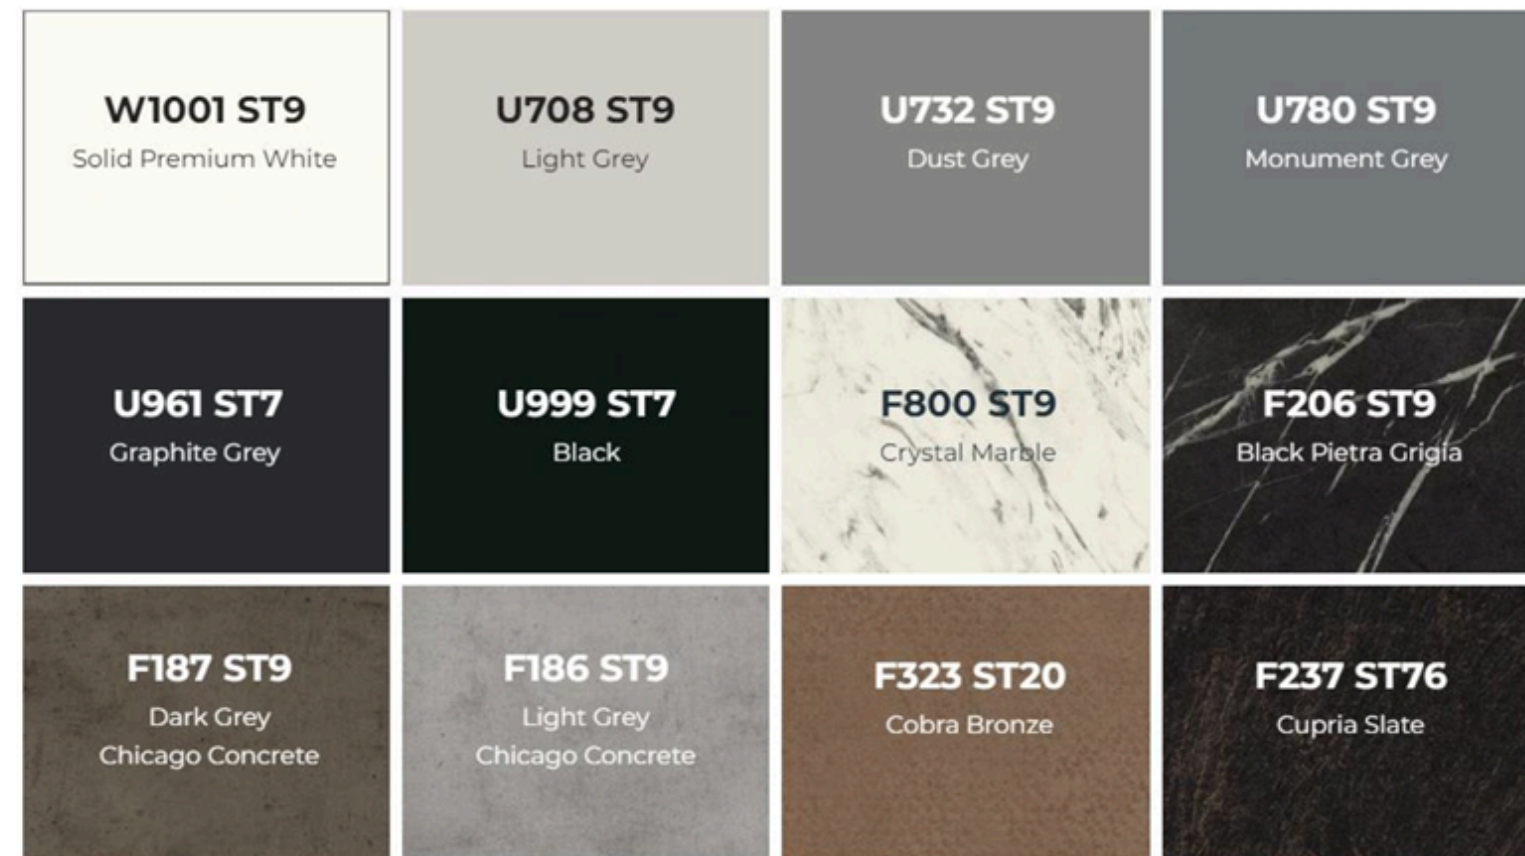

FINISHES.

And whether you're looking for subtle expression or making a bold statement, we have a wide range of matt plain colour, material reproduction and woodgrain laminates to choose from. So, be as bold or as neutral as you like!

Monochrome Colours & Material Reproduction Laminates

Muted Coloured Laminates

CUSTOMISATIONS.

As with all Clarke Rendall products, your Xpression reception desk will be made to order.

So, if you like the look but would like to make your desk uniquely yours - with the addition of logos, for example - get in touch and we'd be happy to help you create the perfect piece.

And now,
we'll let the
