JOINERY SOLUTIONS

BESPOKE

We offer bespoke reception desk and business furniture solutions to suit your office environment.

From seating to ceiling slats...feature walls to boardroom tables..

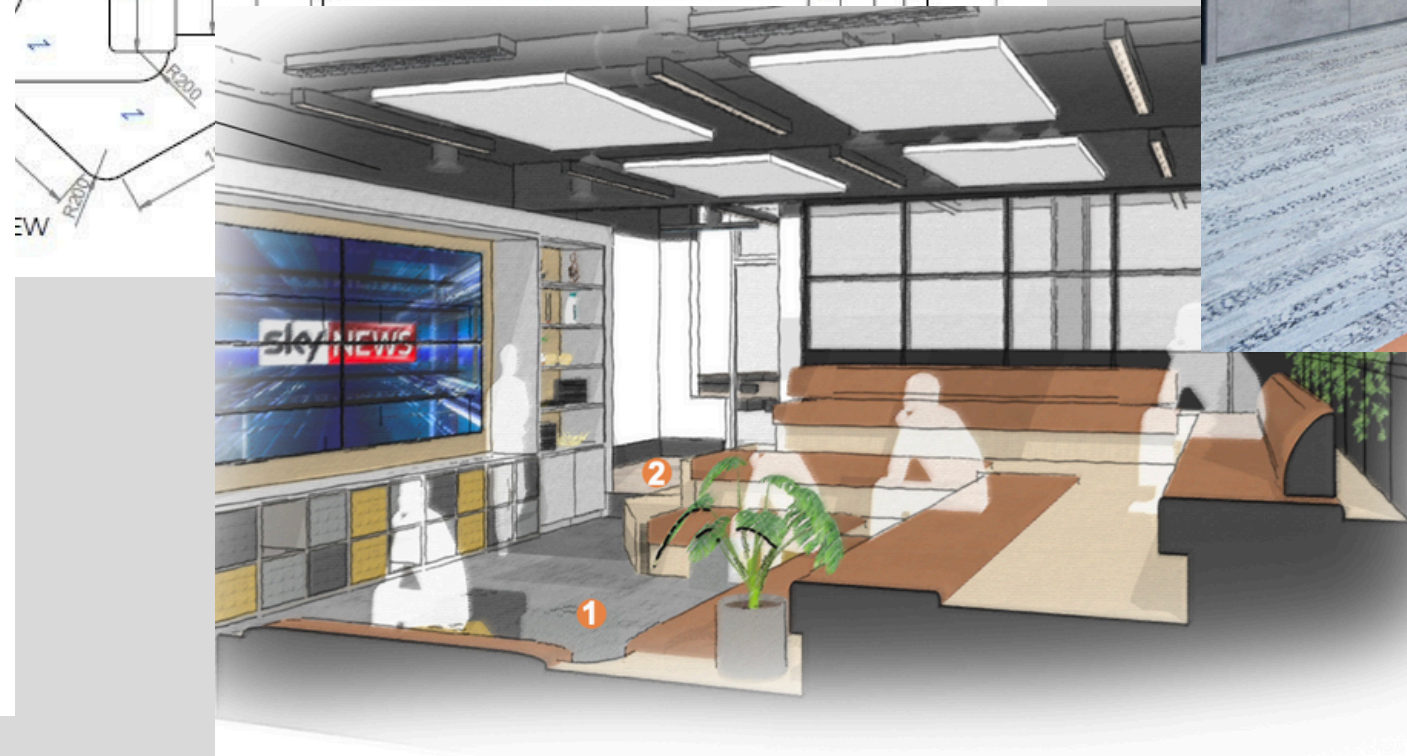

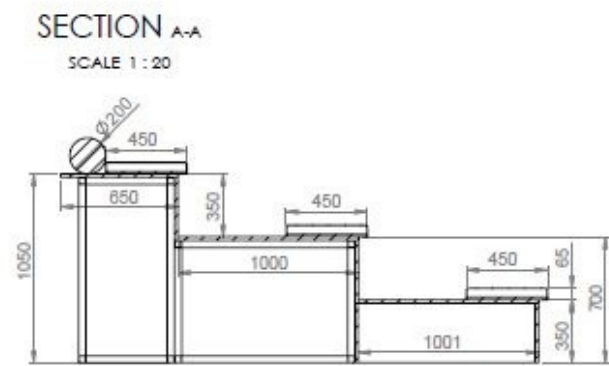

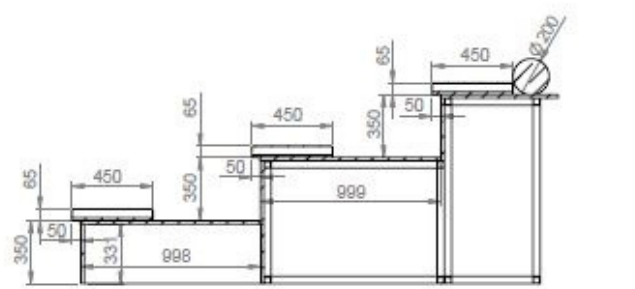

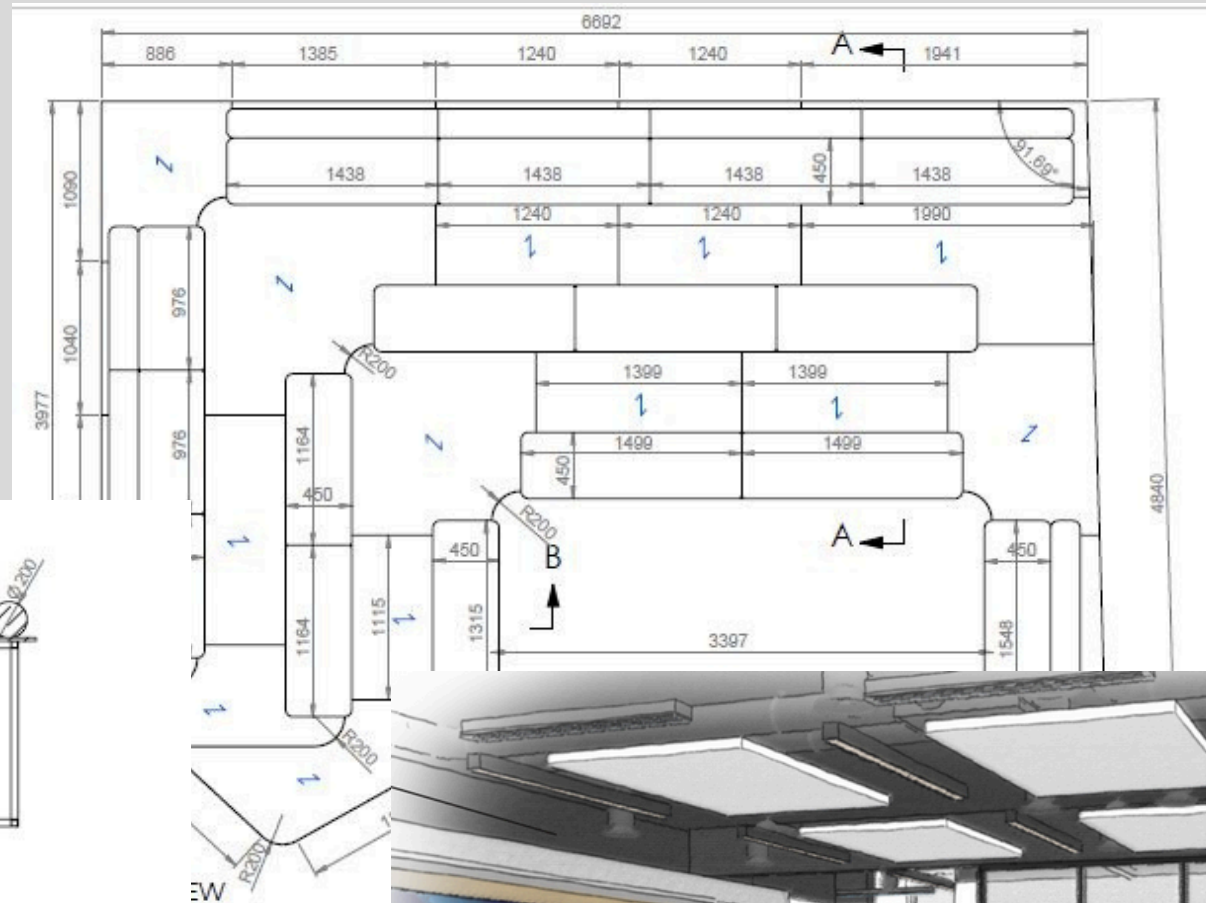

...our expert and experienced design team can bring your ideas to life.

SPECIALIST JOINERY.

Alongside our standard range of desks, our bespoke service allows you to design concepts that will be handmade just for you.

From design concepts and technical drawings....

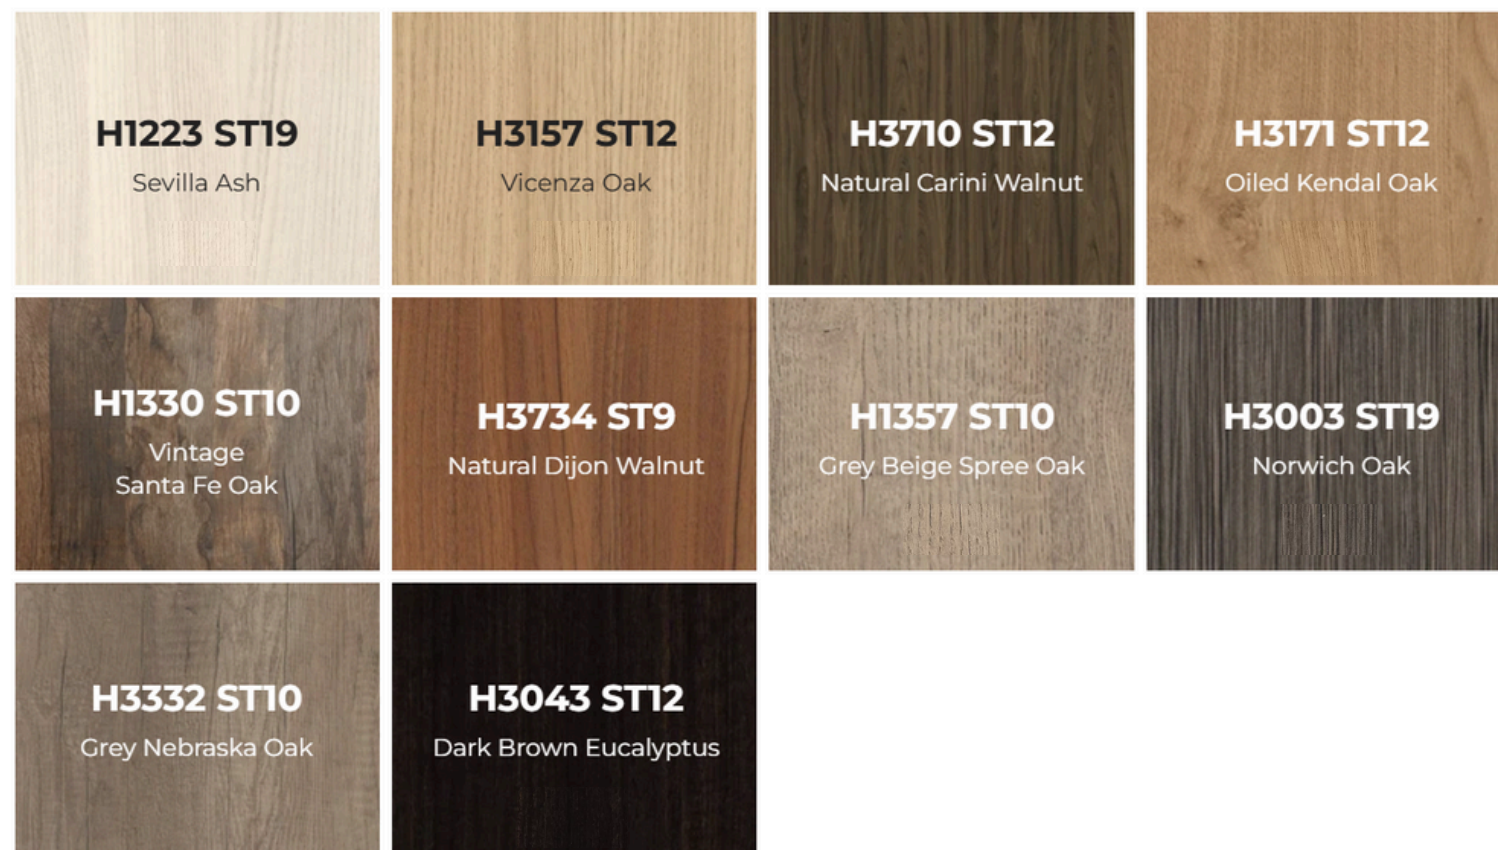

...through to the finished product.

Whatever level of comprehensive look you want, we can deliver.

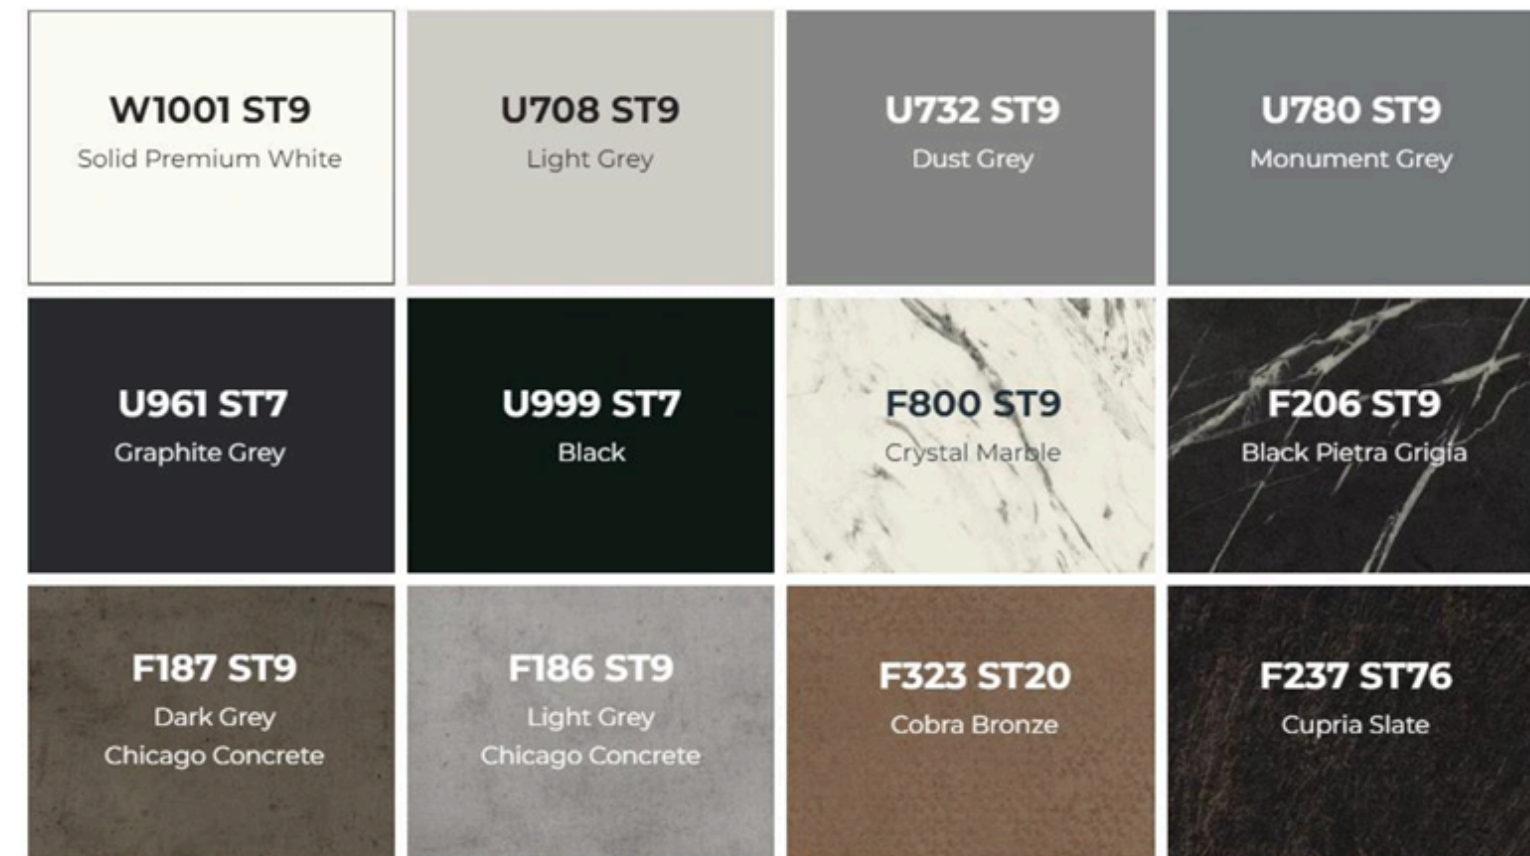

FINISHES.

And whether you're looking for subtle expression or making a bold statement, we have a wide range of matt plain colour, material reproduction and woodgrain laminates to choose from. So, be as bold or as neutral as you like!

Monochrome Colours & Material Reproduction Laminates

Muted Coloured Laminates

SPECIALS.

If budget limitations mean you can't go bespoke then our specials service lets you customise our 'standard' desks.

With a shorter lead time and cheaper than going fully bespoke, we can create the same look without the bespoke price tag.

And now,
we'll let the
